About Khilji Rahat Waheed, Chartered Accountants

► Welcome to KRW Chartered Accountants – where the numbers come to life! Since 2014, our talented professionals have provided outstanding Taxation, Accountancy, Corporate, Audit, Business Consulting and Outsourcing services that cater to established enterprises and start-ups alike. Offering a full suite of services for local entities as well as international organizations headquartered within Pakistan, we pride ourselves in treating every member of our team with the respect and equality they deserve and empower them to provide the exceptional service you need.

Vision

- We aspire to be our clients' trusted business partner, adept at managing their financial concerns, thereby allowing them to concentrate on their core operations. Our aim is to help our clients to maximize their success by devising more high-impact growth strategies, all while building a strong reputation globally as an ethical, trusted accounting firm that embraces versatile and cutting-edge services and solutions. We endeavor to empower our clients both economically and financially, transforming their businesses through qualitative and impactful financial strategies..

Mission

- Our mission is crystal clear - to enable and empower businesses of every size to find success by providing them with exceptional services. From established enterprises to start-ups, entrepreneurs to small business owners, we strive to exceed our clients' expectations with timely, reliable, professional, and accurate services that help them reach their goals.

Values

- Our values reflect our guiding philosophy and are the cornerstones of our success. We believe in treating every team member, client, and stakeholder with respect, fairness, and empathy. We are committed to ethical conduct and doing the right thing, even when it's not the easiest option. We believe in investing in our team members and empowering them to achieve their full potential. We value transparency, open communication, and collaboration. Beyond all this, we are committed to extending this same sense of comfort and camaraderie experienced within KRW to our valued clients.

OUR SERVICES MODEL

- We build close relationship with the Client and are available to resolve for your business success and growth. With our proactive approach we ensure on door delivery of services.
- We maintain a balanced Manager to Clients Ratio to ensure right attention and provision of high standard of services.
- For each service delivery, we have a dedicated team consisting of Partner, Manager, Supervisor and Staff with a back-up for key personnel to ensure a high standard of services on time.
- We ensure continuity of key personnel and reserve professionals of equivalent qualification and skills, wherever required.
- We promptly reply to your inquiries and always welcome any comments on our services, which help us maintain and improve our standards.

GEOGRAPHICAL PRESENCE

We aim to provide our services all over Pakistan and have offices in:

- Islamabad (Head Office)
- Lahore (Branch Office)
- Karachi (Branch Office)
- Peshawar (Branch Office)

AUDIT & ASSURANCE

We understand the importance of quality and context of information for the stakeholders, investors, and decision makers. Our experienced team provides independent Audit & Assurance services for businesses to increase transparency and the quality of information.

Our Audit & Assurance services are fundamental to establishing and maintaining financial credibility and integrity. Our seasoned professionals bring a wealth of experience to meticulously examine financial statements, internal controls, and risk management frameworks.

We go beyond the numbers, aiming to provide clients with a comprehensive understanding of their business landscape. Our approach involves not only identifying potential risks but also offering strategic insights to enhance operational efficiency. Whether serving public or private sector clients, our Audit & Assurance services are tailored to meet the specific needs of each entity.

We prioritize transparency, precision, and collaboration, ensuring that our clients not only meet their compliance obligations but also leverage the audit process as a catalyst for informed decision-making and sustainable growth. At KRW, we stand as trusted partners, dedicated to fortifying the financial health and reputation of our clients through robust Audit & Assurance services.

BUSINESS CONSULTING

Our Business Consulting services are designed to propel organizations toward success by offering strategic guidance and innovative solutions. We understand that in today's dynamic business landscape, companies face multifaceted challenges and opportunities.

Our seasoned consultants collaborate closely with clients to gain a deep understanding of their unique goals, operations, and challenges. Leveraging this insight, we provide tailored recommendations that drive efficiency, foster growth, and optimize overall performance.

From business process reengineering and market analysis to organizational restructuring and technology adoption, our comprehensive consulting services cover a spectrum of strategic initiatives. Whether working with startups or established enterprises, our focus is on delivering actionable insights and sustainable solutions that empower businesses to navigate complexities, capitalize on opportunities, and achieve long-term success. At KRW, we are committed to being more than just advisors; we are partners in our clients' journey towards excellence and prosperity.

ACCOUNTING & BOOKKEEPING

At KRW Chartered Accountants, we take pride in offering a comprehensive range of **Accounting & Bookkeeping services** tailored to meet the diverse needs of both public and private sector clients.

With a team of highly skilled and experienced professionals, we provide accurate and timely financial solutions that enable our clientele to make informed business decisions.

Our commitment to excellence extends beyond mere compliance, as we strive to add value to our clients' operations by ensuring their financial records are not only meticulously maintained but also serve as a strategic asset for their overall business success. Whether it's managing complex financial transactions, streamlining bookkeeping processes, or navigating regulatory requirements, we stand as a trusted partner in fostering the financial health and success of our clients across various industries.

OUTSOURCING SERVICES

Our commitment to excellence extends to a comprehensive suite of outsourcing services designed to alleviate the burden of financial management for our clients.

From meticulous **taxation and payroll services** to the preparation of accurate financial statements, we offer a holistic approach to outsourcing that covers a spectrum of critical functions.

- Our dedicated team manages **accounts receivable, accounts payable, and fixed assets** with precision, ensuring financial transactions are seamlessly handled.
- With expertise in **internal auditing, financial analysis, and budget preparation**, we empower our clients to make informed strategic decisions.
- Additionally, our services extend to **corporate and secretarial support**, addressing governance requirements, and facilitating compliance.
- Embracing **enterprise risk management**, we proactively identify and mitigate potential risks, safeguarding the financial well-being of our clients.

By outsourcing these crucial functions, our clients can focus on their core business activities, confident of the knowledge that their financial operations are in capable hands.
