IFRS implementation and Advisory

We, at **RACO**, specialize in guiding businesses through the intricate process of adopting and implementing International Financial Reporting Standards (IFRSs). Our team of experts ensures that the transition to IFRSs is smooth, efficient, and tailored to your specific needs while minimizing disruption to your operations. Our advisory services provide you with practical solutions and insights on accounting-related issues, helping you understand the nuances of IFRSs and how they impact your financial reporting.

Services offered:

- Review of Existing Reporting Framework
- IFRSs Conversion and Implementation

Financial Reporting

We, at **RACO**, offer a broad spectrum of financial reports tailored to meet your business needs. From detailed financial statements and cash flow analyses to budgets and forecasts, our reports provide a crisp and comprehensive view of your financial status. Our commitment to precision and punctuality ensures that your financial reports are accurate and delivered on time.

Services offered:

- Periodic Board and Management Reporting
- Consolidation and Group Reporting
- Preparation and Review of Financial Statements
- Designing and preparing recurring payroll management reports
- Budgeting and Forecasting
- Ad-hoc and special purposes reporting

Fixed Assets and Inventory Management

We, at **RACO**, provide end-to-end tracking and management of fixed assets and inventory, from acquisition to disposal. Our solutions ensure that all assets and inventory items are properly recorded, tracked, and managed throughout their lifecycle. We, at **RACO**, ensure that all assets are accurately valued and depreciated according to the relevant accounting standards, providing a true reflection of your financial position. We, at **RACO**, manage all necessary documentation related to your fixed assets and inventory, ensuring that records are up to date and easily accessible. Our management services provide the data and insights you need to optimize asset utilization, manage costs, and plan for future investments.

Services offered:

- System Administration and Record Management
- Reconciliation and Reporting

Business Valuations

We, at **RACO**, employ a range of valuation methods tailored to the unique characteristics and industry standards of your business. Our approach ensures a thorough assessment that reflects current market conditions and financial performance. We, at **RACO**, conduct detailed financial analysis, including cash flow projections, risk assessments, and market comparisons, to determine the true value of your business assets and operations. Our team of certified valuation professionals brings extensive experience across various industries, providing reliable and defensible valuations that stand up to scrutiny. We deliver comprehensive valuation reports that outline our findings, methodologies, and recommendations.

Services offered:

- Valuation for Sale or Purchase
- Financial Reporting Valuation
- Startup and Venture Capital Valuation
- Financial Restructuring
