# ABOUT THE WEBINAR

Being self-employed means you can work for what you believe in. Indeed, fear of becoming self-employed often scuppers many great ideas. In our profession too, starting One's own practice is goal of many, Yes, there is no denying that being self-employed has its own challenges and that not everyone has what it takes to grow as a successful Practitioner. But if you feel that you are focused, persistent and determined then being self-employed offers what you'll never realize in other scenario.

To discuss on this very important topic, CPD Committee Lahore has planned a detailed webinar that would cover different challenges and opportunities in Practice, we have invited prominent speakers and panelists for this session. Their wealth of experience will be very useful for our audience InshAllah.
