1. Academic and Professional Achievements:

- Samiullah is a Fellow Member of ICAP from Baluchistan. He has been one of those CA students who received financial assistance from the Institute as interest free loan, qualified as CA within articles and paid back the interest free loan a success story indeed. He also secured 1st position in B.Com. in Baluchistan. He has globally worked with various organizations including Pakistan, KSA, Vietnam, Nigeria, Afghanistan, etc.
- He has served in the audit and assurance departments of KPMG, Deloitte and EY and in government sector as Director Finance of a Public Sector University and currently with the government of Baluchistan as Consultant.
- He has been passionately working for the profession for decade. He along with Council has been successful in securing a government premises in Baluchistan for conducting CA classes. Being in Quetta he is in the best possible position to work for the profession in Baluchistan.

2. Professional Affiliations (*compulsory): FCA – ICAP

3. Inspiration and Motivation to be a Member of the Council/Regional Committee:

- The reason for contesting the Council Elections is to serve the profession and the Institute in a better manner. The Council is the apex forum for decision making thus paving the way for a strategic vision that can be achieved.
- The forum of the Council provides an opportunity to be of service to the stakeholders of the profession.
- More importantly in the past proper representation from the province of Baluchistan was lacking thus hindering the actual needs of the province related to CA profession to be catered to.
- The existing experience of Samiullah as Council Member, his services to the profession and presence in the capital of Baluchistan puts him in ideal position to serve the profession.

4. Key Objectives and Vision:

The focus of Samiullah as Council Member would be on the following;

- Facilitating in providing a conducive environment for the profession in Baluchistan for all stakeholders including Students, Members, Businesses, Services, Clients.
- Striving for possession of land from the government of Baluchistan to establish a proper office of the Institute in Quetta.
- Striving for improvement in and facilitation of SMPs.
- The steep curve of evolving technologies is the major challenge for almost every profession. The application of such technologies in Accounting & Auditing profession is changing its paradigm at a very fast pace. A robust strategy needs to be developed for the institute with technology as a pivot to improve global employability of the members, enhance global recognition through modern and relevant skills.
- Strengthening the Secretariat of the Institute.
- Further improving the coordination with overseas members.
- Bridging the gap between ICAP and government function
