Vision

To foster a transparent, inclusive, and progressive ICAP community where both members and students are empowered to excel in their professional journeys.

VALUES

Integrity and Honesty

Transparency and Accountability

Professional Excellence and
Lifelong Learning

Empower. Elevate. Transform.

- Advocate for **regular, specialised training workshops and networking**
- Create **mentorship, advisory, and career support** for members and students
- Promote **ethical practices** and **create opportunities** for young members
- Organize quality training programs and develop resources such as libraries, study circles, and learning tools for students
- Provide **guidance, counselling, and placement assistance** for students

Empower. Elevate. Transform.

- Strengthen **ICAP's visibility** with government, regulators, businesses, and international organisations
- Facilitate virtual CPD, networking sessions, and advisory services for overseas members
- Promote **gender equity, regional representation, and inclusive participation** in ICAP committees and leadership
- Uphold high standards of **governance, transparency, and ethical conduct**
- Support the **adoption of digital tools** to enhance accessibility and adaptability

Thank you!
