**Subject: CHUGHTAI HEALTHCARE MEDICAL SCREENING OFFER FOR ICAP**

Chughtai Lab is pleased to introduce itself as College of American Pathologists (CAP) and ISO 15189 certified fully integrated human disease diagnostic concern having an extensive network of more than 12 STAT labs and more than 350 collection centers covering almost all major cities (more than 150 Cities) of the country creating 40 years of success story.

Recognizing the crucial role of medical screening in enabling early detection of health issues and promoting overall well-being, we are pleased to propose a baseline package specifically designed for the medical screening of ICAP members and employees. This comprehensive package encompasses thorough screenings of vital organs including the heart, liver, kidneys, and endocrine system for diabetes.

S#	Test Name	Standard Rate	Special Rate for ICAP Members & Staff
1	CBC	800	560
2	Lipid Profile	2400	1680
3	Plasma glucose fasting/ Random	500	350
4	Liver Function Test with GGT	1950	1365
5	Renal Function Tests	1800	1260
	Total:	<b>7450</b>	<b>5215</b>
	<b>Exclusive Rate for ICAP</b>		<b>5000</b>

**LIST OF ICAP MEMBERS & STAFF:**

ICAP will provide Chughtai Lab with a list of ICAP members and staff who are interested in getting tested as per the offer letter. Once we have the list along with the required fee, our dedicated staff at each respective station will contact the patients to discuss the testing options, whether it's home sampling or a visit to the lab.

**FREE HOME SAMPLE COLLECTION SERVICES:**

Chughtai Lab is offering free home sample collection services to ICAP members & staff to help them get tested in the convenience of their homes.

**CHUGHTAI LABS ACROSS PAKISTAN:**

ICAP members and staff are also welcome to visit Chughtai Healthcare facilities across Pakistan for sample collection. The list of collection centers is available on the link mentioned below:

<https://chughtailab.com/locations/>

**OTHER BENEFITS FOR ICAP MEMBERS & STAFF:**

1. Through Chughtai Homecare service ICAP members & employees can get quality healthcare at the comfort of their home including ICU Level Care, Life Assistance Care, and Sehat Services.
2. The laboratory reports will be shared with ICAP, as well as directly with the members of ICAP.
3. Chughtai Lab will also generate an online portal for the management of ICAP to view the reports online.
4. Chughtai Lab will also provide data analysis to ICAP regarding the reports of their members (if required by ICAP management).
5. Chughtai Lab will also organize informative seminars on diabetes, hypertension (high blood pressure), stress-related disorders, and musculoskeletal disorders exclusively for ICAP members and staff. These seminars will be conducted at ICAP stations or through webinars with the mutual arrangements with ICAP whenever possible, providing valuable awareness and knowledge on the health conditions.

CHUGHTAI LAB
