

www.excel-labs.com

To,

Tahir Saeed Malik

Deputy Director, Marketing & Communication

The Institute of Chartered Accountants of Pakistan (ICAP)

Subject: Discount Approval

After considering the importance of your institute and also realizing the services your institute is providing to the society in general and corporate sector in particular.

We EXCEL LABS as a part of corporate sector extend a "discount scheme" exclusively for your Institute, the discount would be up to **30%**, but varies for different affiliates in following terms.

Members (FCAs) /Members (ACAs)	Professional Accounting Affiliates	Students /Employees
30%	25%	20%

Above stated discounts are for all the routine test only.

However, for PCR (COVID – 19) test, we offer flat 15% discount to all your affiliates.

Furthermore, this will be a cash panel.

In this context we propose that we should initially engage our two organization in an agreement for one year that can be renewable yearly.

Look forward for a long term business relationship.

Note; above stated discounts can be revised upon the volume of the business from your esteemed organization.

Best Regards,

ARSHAD HUSSAIN
GM Marketing & Sales

Excel Labs has successfully participated in the Programs for Excellence in Laboratory testing of the College of American Pathologists since 1997.
