

ICAP/QAD/38/20008 / Circular-02/2014

August 22, 2014

**ALL PRACTICING MEMBERS OF THE INSTITUTE**

**CORPORATE GOVERNANCE TRAINING PROGRAM FOR SMPs**

Dear Member,

We are pleased to inform you that ICAP and International Finance Corporation (IFC) have entered into a Cooperation Agreement in July 2014 under which both the organizations have agreed to cooperate on delivering corporate governance training program (the "CG Program") to ICAP's small and medium practices (SMPs) using IFC MENA SMEs Governance Training Material developed by the IFC. The objective of the training is to provide CG training to SMPs to build their capacity to provide CG services to their clients.

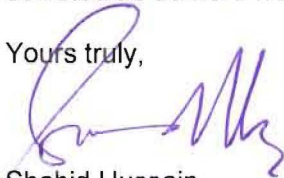

Under the CG Program, IFC will conduct two (2) Training of Trainers (ToT) workshops and provide training of CG Program to around 25 to 30 ICAP's trainers to build their training capacity. These ToT workshops are expected to be held at Karachi and Lahore in September 2014 and December 2014 respectively.

After the completion of ToT, ICAP is committed to replicate at least 5 fresh CG Programs, each comprising a minimum of 4 days of training to overall 100 trainees from SMPs during the term of this Agreement i.e. June 30, 2015.

Members interested in attending the above CG Program and imparting the training among the SMPs are requested to send their brief CVs via email to the undersigned by **September 04, 2014**. CVs of all the interested members would be reviewed by the Institute and shortlisted trainers would be informed of their selection accordingly.

It may be noted that the ToT workshops would be free of cost, however, the members selected as trainers would be required to give time to conduct aforesaid training program.

Yours truly,

  
Shahid Hussain  
Director Quality Assurance
