

Date: 01-July-20221

Respected Principal / Head of Institute

On behalf of the **Honorable Prof. Dr. Saeed Ul Hassan Chishti, Vice Chancellor, University of Sialkot**, I would like to take this opportunity to share with your good self the colors of USKT and its valuable contribution to the local community and Industry. USKT started its operations three years ago in 2018 and have made significant achievements not in terms of an unprecedented enrollment of students in various disciplines but also have been able to pull and retain the top ranked faculty from all corners of the country and provides a world class academic and learning environment in an area that was much deprived of higher education.

In this short span of time, USKT has a galaxy of more than 100 PhD Professors and around 200 MPhil Faculty by the grace of Almighty and has enrolled around 10,000 students in 30 Departments under 8 Faculties including

1. Faculty of Sciences
2. Faculty of Law
3. Faculty of Humanities & Social Sciences
4. Faculty of Management & Administrative Sciences
5. Faculty of Computing & Information Technology
6. Faculty of Allied Health Sciences
7. Faculty of Textile & Fashion Designing
8. Faculty of Engineering & Architecture

Details of the Programs are also attached for your valuable consideration & Information please.

Meanwhile, I would also draw your attention towards a recent notification (attached) of HEC regarding CAF candidates/pass outs that they are eligible to get admission in **BS Accounting & Finance (5<sup>th</sup> semester)** with an exemption of up to **60 credits**. It means they will complete there 4 year undergraduate degree equal to sixteen year of education in 2 years (4<sup>th</sup> semester) only. This is a great opportunity for a sizeable number of students who have passed out from ICAP affiliated institutions.

Based on affordable cost and excellent academic environment under competent faculty, USKT warmly welcomes to the students of ICAP to join one of the fastest growing Universities of Pakistan.

Looking forward to your acknowledgment and thanking in anticipation.

## NOTIFICATION

Pursuant to the approval of the Competent Authority, it is notified that the applicants having CAF (Certificate in Accounting and Finance) qualification duly verified by ICAP (Institute of Chartered Accountants of Pakistan) shall henceforth be eligible for admission in BS (Accounting and Finance) provided they have qualified compulsory subjects viz. Pakistan Studies and Islamic/Religious studies from any chartered university. Moreover, the admitting university, in line with the "HEC's New Undergraduate Policy 2020" may grant an exemption of up to a maximum of 60 credit hours to the eligible candidates. However, the exemption of credit hours shall be determined by the university/DAI according to its own rules. Mapping of required areas and credit hours of CAF with HEC's New Undergraduate Policy 2020 by a Committee of Experts is attached for reference.

  
(Samina Durrani)  
Deputy Director (Coordination)
