Dear Students,   November 06, 2023

ICAP is pleased to make the following announcements regarding the upcoming assessments for the hands-on courses in Fin-Tech and Data Management and Analytics, scheduled for January and April 2024.

In order to facilitate your assessments, the following software, if required, will be provided to you during the assessment:

- ❑ Python 3, Release 3.12.0
- ❑ Python Editor: Jupyter Notebook
- ❑ Microsoft Power BI Desktop, Release 01/11/2023 or later
- ❑ Microsoft SQL Server 2022 Express Edition, Version 16.0.1000.6

Should you have any queries or require further assistance, please do not hesitate to reach out to us at examinations@icap.org.pk or contact us via phone at +92 345 2130686.
