

# Feedback on Examination Question Papers

Dear Examinees,

The Institute considers feedback from relevant stakeholders an important tool for improving and maintaining the quality of its exam question papers. To keep the exam question papers of the Institute at par with international standards, the Institute has been receiving the feedback from RAET for last many years. In Summer 2021, a portal was launched to obtain the teachers' feedback on exam question papers in a more organized manner. The feedback received through teachers' comments on the exam question papers provides useful insights for analyzing the current result and developing future exam question papers.

Considering the utility of the feedback, it has been decided that, with effect from Autumn 2022 CAF Examinations, the access to this portal shall be allowed to the examinees and they can provide feedback on the paper(s) which were mentioned on their admit cards. The portal will be activated soon after the conclusion of each paper and will remain available until one week after the conclusion of the examinations.

All examinees are encouraged to provide their feedback on exam question paper through link available in their secured login area at the Institute's website.

Please note that the feedback portal shall be available for CAF, CFAP and MSA examination papers only.
