# Minimum paper condition for CAF and CFAP

The Institute has decided to remove the condition of minimum three papers of CAF Level, with effect from Spring 2023. Accordingly, students can appear in any number of papers at CAF level, subject to progression rules. Please note that the condition is already waived for Autumn 2022 attempt.

Further, with effect from Winter 2022, the Institute has allowed CFAP students to appear in one paper of MSA along with one paper of CFAP for the purpose of meeting the requirement of minimum two paper condition, subject to progression rules.
