Subject: Roadmap of BS Accounting & Finance for CAF-Passed Students-UCP

Dear Mr. Salman Abbasi

With reference to your letter number ICAP/DET/002652/85150, dated June 23, 2021 and our earlier discussions, I would like to inform you that the Academic Council of the University of Central Punjab has approved the roadmap of BS Accounting & Finance designed for those students of ICAP who have completed Certificate of Accounting and Finance-CAF from Institute of Chartered Accountants of Pakistan.

The program is designed considering the roadmap of CAF and the requirement of the Higher Education Commission of Pakistan. As the Higher Education Commission of Pakistan has deferred the new Undergraduate Policy for one year so, currently the program is developed in accordance with the existing policy.

The roadmap designed for CAF-Passed students is attached for your reference and circulation. Kindly distribute this roadmap among all those students who are eligible for admission in this program. You may contact our director admission Ms. Madiha Qayyum (Ph: 042-35880007 Ext: 125) in case of any query about the program and the admission process.

I hope this will be a great opportunity for thousands of those students of ICAP who are looking for an academic qualification. It is worth mentioning that after completion of the BS Accounting & Finance program the students will also be able to register in MS Accounting & Finance program to enhance their qualification. In the MS program, our BSAF students also get considerable scholarships as old students of the university.

Looking forward to having a successful launch of the BS Accounting & Finance program for CAF-Passed students.

Regards,

Prof. Dr. Ather Azim Khan
Associate Dean, UCP Business School
Faculty of Management Studies
