

HOW TO RUN THE MODEL PAPER

The model paper of GCC-1 has been uploaded to the secured area for examinees on the ICAP website. This model paper is available in the same examination software that will be used for the actual examination.

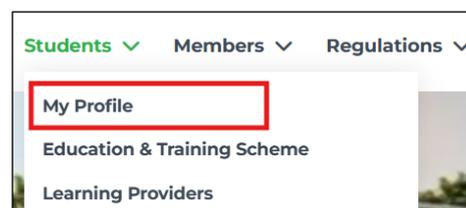

Please note that the main objective of providing model paper in software is to make the examinees familiar with the environment and features of the examination software.

Step-by-Step Process to Access GCC-1 Model Paper

Following is the step-by-step process to run the GCC-1 Model Paper:

Step 1: Visit the ICAP Website and Log in to the Students' Secured Area

- Go to the **ICAP Website**
- Hover over the **Students** tab in the top navigation bar.
- Click on **My Profile** to access the students' secured area.
- Enter your CRN/CEN Number and Password/Date of Birth (DD/MM/YYYY) to login.

Student Login

Enter CRN/CEN Number:

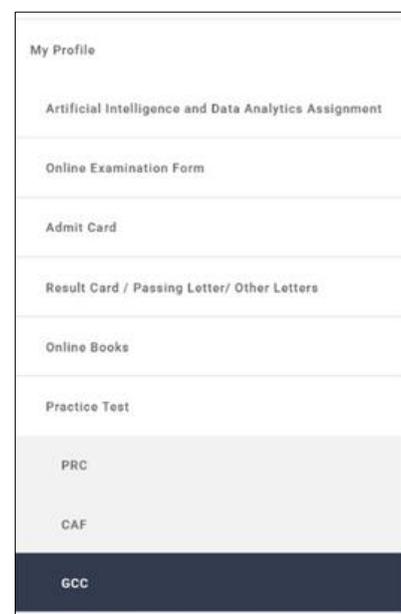

Password/Date of Birth:

[Login](#)

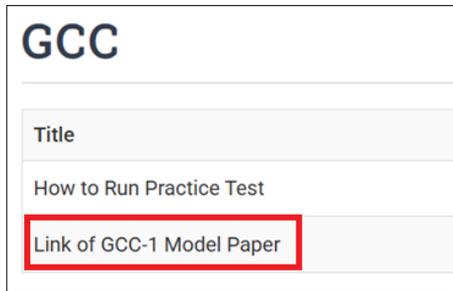

[Forgot Your Password?](#)

Step 2: Access the Practice Test

- Once you have logged into your secured area, a menu will appear on the left side of your profile page.
- Click on **Practice Test**, from the list of options.
- Click on **GCC** from the list of exam categories, to open the model paper.

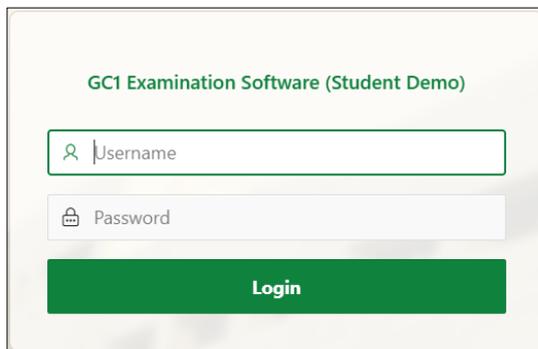

- Click on **Link of GCC-1 Model Paper** on the GCC page to proceed.

Step 3: Login Screen and Credentials

- After clicking **Link of GCC-1 Model Paper**, the following screen will appear:

- Enter the following Username and Password for login:

No.	Test Name	Username	Password
1	Business Concept and Environment	DEMO_GC1	123abc\$

Please note that:

- GC1 model paper can be run multiple times. This could be done in multiple ways including logging off from the paper or closing the browser.
- For further guidance on features and functions of the examination software please refer to the document **Guidance on New Examination Software** available at ICAP's website.
