

Webinar on Hiring for the Future AI's Impact on Accounting & Finance Professionals

Following the success of our first session in November 2024, Part 2 of our Panel Discussion on Navigating Professional Growth in the ASEAN and ANZ Regions is here! This time, we're diving deep into the evolving job market and hiring landscape—exploring how AI is reshaping the accounting and finance professions. We'll discuss the importance of embracing technology to drive career growth, productivity, efficiency, and innovation in the ASEAN and ANZ regions.

Don't miss this insightful discussion on how AI is transforming the finance and accounting professions—helping you stay ahead in the evolving job market!
