ABOUT THE PROGRAM

Finance Leader 2.0 was conceptualized together with the International Federation of Accountants (IFAC) and stands out as an experience that is continuously updated to address evolving leadership needs.

Unexpected challenges in organizations have highlighted the importance of being prepared. This chaos is nothing but a beautiful piece of unseen architecture that you can only appreciate with a lens of the future. Finance leader 2.0 is the lens.

The fifth edition focuses on top skills identified by the World Economic Forum 2024. It is meticulously designed to help participants practice and apply their learning, preparing them for strategic leadership roles. The connections formed through this program generate significant business and personal value. Over four years, our cohort members have epitomized success and growth. Finance Leader 2.0 has enabled finance professionals to assume strategic leadership roles.

Unlock your leadership potential with Finance Leader 2.0.

WHO SHOULD ATTEND?

This training is most suitable for;

- Senior finance professionals choosing to transition upwards.
- Management and leadership professionals desirous of contributing in turbulent times.

ABOUT THE INSTITUTE OF CHARTERED ACCOUNTANTS OF PAKISTAN

The Institute of Chartered Accountants of Pakistan (ICAP), is the esteemed apex accountancy regulating body in Pakistan that takes great pride in nurturing talented, ethical, and dedicated professionals. With a robust membership base of over ten thousand Chartered Accountants, ICAP's influence spans far and wide.

Established in 1961 with a clear mission, ICAP remains steadfast in its commitment to serving the public interest by fostering strong collaborations with governments, regulators, and business leaders on a global scale. The global impact of ICAP's diaspora is evident, as its members hold esteemed positions in prestigious corporate entities, including Fortune 500 companies.

Our collective endeavors know no boundaries, as we contribute significantly to the success of individuals, organizations, communities, and economies alike. Embracing the belief that chartered accountancy can be a powerful force for positive change, ICAP is resolutely devoted to sharing its insights, expertise, and understanding to foster sustainable economies and create a better future for all. Welcome to the world of excellence!

UNLEASHING THE POWER OF PAIB LEADERSHIP

At ICAP, PAIBs make up a remarkable 76% of our distinguished membership. As visionaries, they lead the way as business and strategy partners, financial experts, and trusted advisors, driving sustainable value creation for their organizations.

ICAP's PAIB Committee is dedicated to empowering this influential membership segment. The committee was established in 2009 to cater specifically to the needs of PAIBs. Under the dynamic leadership of Mr. Samiullah Siddiqui, FCA, currently we are committed to engaging, supporting, and fostering the professional development of PAIBs while recognizing their invaluable contributions to the economy.

Through our proactive initiatives, we strive to build a thriving community of PAIB leaders. Our programs are thoughtfully designed to enhance their capabilities as creators, enablers, reporters, and preservers of organizational value. Together, we are shaping a prosperous future for both you and your organization.

ABOUT THE TRAINER

Dr. Farhad Karamally

CEO Funverks

Global Management Consultancy

Farhad Karamally is a distinguished Organizational Development Consultant known for disrupting mediocrity and catalyzing transformation through powerful interventions in Leadership, Organizational Culture and Reinvention. With over 3 decades of cross-industry experience, Farhad has guided individuals and organizations toward unlocking their fullest potential.

His client portfolio spans Fortune 500 companies, family businesses, high-growth startups and global development organizations. Whether driving strategic clarity or reshaping organizational culture, Farhad's interventions create lasting impact. His 'funicillation' (as he calls it) style is energetic, insightful and deeply human. This has earned him praise worldwide.

Farhad's unique and pragmatic frameworks coupled by his authroship that blend storytelling with strategic insight, make learning both meaningful and memorable. His toolkit includes certifications in NLP, HBDI®, DiSC®, and DEI, and he is a Certified Reinvention Associate from the Reinvention Academy. In 2021, he earned a Professional Doctoral Certificate in Applied Management from the European International University – Paris, and is also a Certified Director – Directors Training Program by PIGC.

A passionate believer in human excellence as the foundation for organizational effectiveness, Farhad brings both depth and dynamism to every engagement. As the lead facilitator of Finance Leader 2.0™, he promises a transformation journey that's not just insightful, but unforgettable.

HERE'S WHAT OUR ALUMNI ARE SAYING

Abdul Rehman

Lucky Motor Corporation

"The Leadership Transformation Training proved to be a profoundly enriching experience. The depth of insight and practical knowledge imparted throughout the sessions was both invaluable and immediately applicable. The facilitator's command over the subject matter, combined with a highly engaging delivery style, elevated this program well above conventional training experiences. I found myself integrating newly acquired concepts into my professional practice almost instantly, resulting in noticeable growth and enhanced effectiveness."

"Mr. Karamally stands out as one of the most compelling and impactful trainers I have encountered in my professional journey. His remarkable ability to engage participants and foster meaningful interaction ensured a dynamic and inclusive learning environment. The program offered fresh, thought-provoking perspectives on leadership, supported by insightful discussions and practical applications. It has significantly deepened my strategic outlook and leadership acumen."

Mehreen Mansoor

Lipton

Mehak

HBL

"This training ranks among the most comprehensive and impactful professional development experiences I have undertaken. The carefully curated blend of activities and content offered a deep dive into the core competencies of effective leadership, including communication, negotiation, and relationship building. Mr. Farhad's interactive approach, including role-playing and real-world simulations, made complex concepts accessible and memorable. The skills and perspectives gained have already begun to yield tangible improvements in my professional interactions and leadership style."
