

The Human Side of Transformation: Culture, Change Management & Leadership

Speaker

Mr. Dennis Akkerman
Founder
Orbis Business School

Mr. Dennis Akkerman is the visionary founder of Orbis Business School as well as a distinguished transformational coach, consultant and captivating speaker on the global stage spanning more than 30 countries. Born and bred in The Netherlands, he lived in 5 different countries and feeling at home in Malaysia for more than 11 years.

Dennis was inspired to write his book *The Naked Leader* by his own life-changing transformation journey. After two decades in corporate leadership roles, he hit rock bottom after a rollercoaster of life events. In that dark corner, he had a profound insight that changed his entire outlook on life and business. During the book reading session he is going to share some of his valuable insights from the book, drawn from his own life and business experience as well as a dozen of inspiring leaders from around the world.

The Naked Leader provides a compact yet insightful guide to set you up for bigger and more meaningful outcomes in life and in business. The book is full of eternal wisdom and thoughtprovoking questions to help you gain a deeper understanding of your thought patterns and behaviours. Dennis shares 7 powerful steps to effectively change your mindset; and ultimately becoming the best version of yourself: Your Naked Self.
