About Seminar

Sustainability reporting is increasingly becoming an integral part of corporate reporting, governance, risk management, and strategic decision-making. Organizations need to understand how sustainability-related risks and opportunities impact their business operations, financial performance, and long-term strategy.

Keeping in view the significance of this topic, the Northern Regional Committee (NRC) of the Institute of Chartered Accountants of Pakistan (ICAP) is pleased to announce a seminar on **Sustainability Reporting and Assurance** on **Saturday, October 17, 2026, from 3:00 PM to 8:00 PM**, at the **ICAP Auditorium, Islamabad**, with virtual participation via Zoom.

The seminar will cover Pakistan's regulatory perspective, the practical application of **IFRS S1 and IFRS S2**, key considerations for management and CFOs, and emerging requirements and challenges in sustainability assurance. The session will be beneficial for chartered accountants, finance professionals, CFOs, corporate executives, auditors, and sustainability practitioners seeking to enhance their understanding of sustainability reporting and assurance.
