- A chance to **analyze your leadership** strengths and weaknesses through actual leadership roles in real-life projects in wilderness
- **Learning to lead teams** in stressful and challenging circumstances
- **Taking a bird's eye view of your life** through guided meditation & self-reflection
- **Problem solving and decision making** in uncertainty & complexity
- **Bonus:** A post program assessment of your unique leadership style & personalized recommendations, based on the **7 Dimensions of Leadership® model** (Optional)
- Fun, laughter & 'aha!' moments in pure **serenity of nature**

Muhammad Ali

Director Finance, K-Electric

“The best moment in the program was when I was given a new team and was put in a situation where I had to solve a complex problem working with them. That was a turning point for me in this program where I learned a lot about myself and my ability to manage team.”
