An Initiative of Professional Accountants in Business (PAIB) Committee

About ICAP

The Institute of Chartered Accountants of Pakistan (ICAP), established in 1961, is the regulatory authority for the accountancy profession in Pakistan. Over the decades, it has built a strong network of more than 11,000 Chartered Accountants operating across domestic and international markets. With an established presence across Americas, EMEA, and Asia-Pacific, ICAP continues to play a strategic role in strengthening financial governance, advancing transparency, and contributing to sustainable economic development.

About PAIB

At ICAP, Professional Accountants in Business (PAIB) constitute **76%** of our membership, serving as key business partners and financial experts. The PAIB Committee, globally recognized, including by IFAC, was established in 2009 and is dedicated to the continuous development and recognition of PAIB members. Through its initiatives, the Committee aims to enhance professional capabilities and support members in contributing effectively to their organizations and the broader economy.

About CFO Conference

ICAP's CFO Conference, a flagship platform since 2010, continues to bring together industry leaders, visionaries, and finance professionals to shape the future of business. With **27** conferences held locally and **5** international editions in the Middle East, it has established itself as a premier forum for thought leadership, knowledge exchange, and high-impact networking.

CFO Conference 2026 introduces the theme, **“The New Playbook – Adapt, Innovate, Elevate.”** In an era defined by constant disruption and accelerated change, this theme highlights the evolving role of finance leaders not only as custodians of financial performance but as drivers of transformation. It emphasizes the need to rethink traditional strategies, embrace emerging technologies, and build agile frameworks to navigate a dynamic business environment.
